

OWN A NEW CUDA MODEL 7248 PARTS WASHER

for as low as **\$1,421** per month*

*Based on a 48 month term using the BestBuy lease program through Lease Consultants. Based on a price of \$59,999 less tax.

Save time and money washing parts automatically instead of by hand. Uses no solvents, which is much safer for your staff.

7248 Model Specs:

Working Height:	48"
Turntable Diameter	72"
Load Capacity:	5,000 lbs.
Sump Capacity:	200 gallons
Volt/Ph:	230/3, 460/3, and 575/3

BestBuy Plan:

Two Payment Security Deposit Up Front
(Deposit applied as first and last payment)

- Monthly payments
- Deposit may be surrendered as full payment for the equipment. For example, since the deposit is applied as the first and last payment, only 36 payments are required to own the equipment on a thirty-six month lease.
- No doc fee, no app fee.
